

SCRIPTS

South Carolina Reporting & Identification Prescription Tracking System
April 29, 2014

South Carolina Department of Health and Environmental Control

Promoting and Protecting the Health of the Public and the Environment

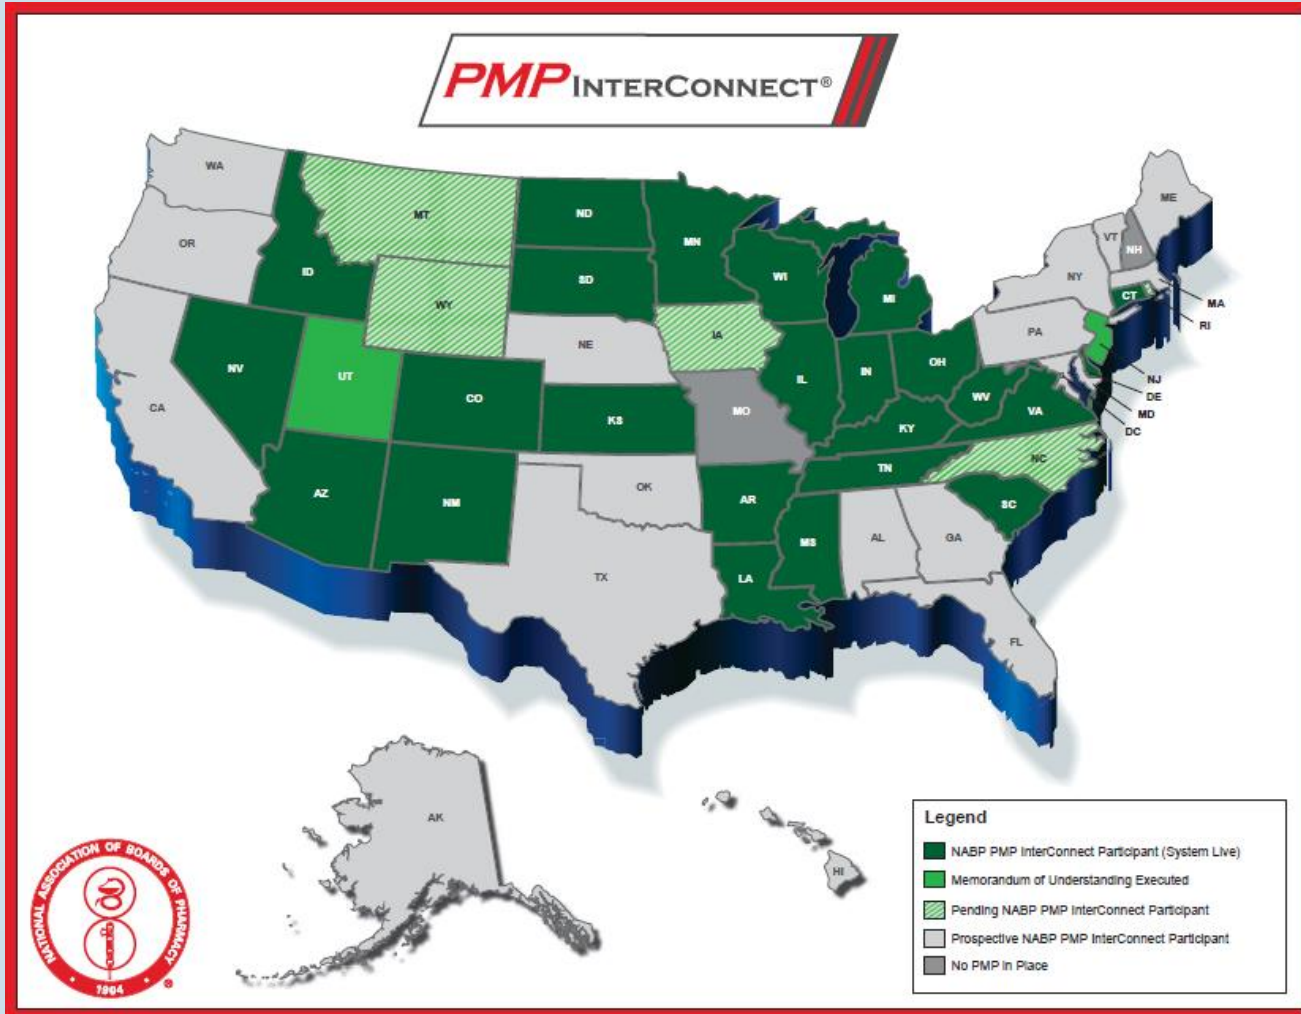

- Data collection began **1/1/2008**
- Currently **SCRIPTS** has over **62.7 million** dispensing records (CII-CIV only)
- PMP is currently supplying data to:
 - Our field staff of pharmacist inspectors
 - Columbia DEA investigators
 - Medicaid Provider & Recipient Fraud Unit investigators
 - Licensing Boards
 - Local & regional law enforcement
 - Veterans Administration – OIG
 - Individuals

Prescription Monitoring Program Interconnect System (PMPi)

- June 2011- SC signed the MOU
- March 2012- SC went live with PMPi
- Currently SC is sharing data with 17 other states through PMPi
- 26 states have executed MOUs with NABP to participate in PMPi
- Anticipated that 30 states will have MOUS by the end of 2014

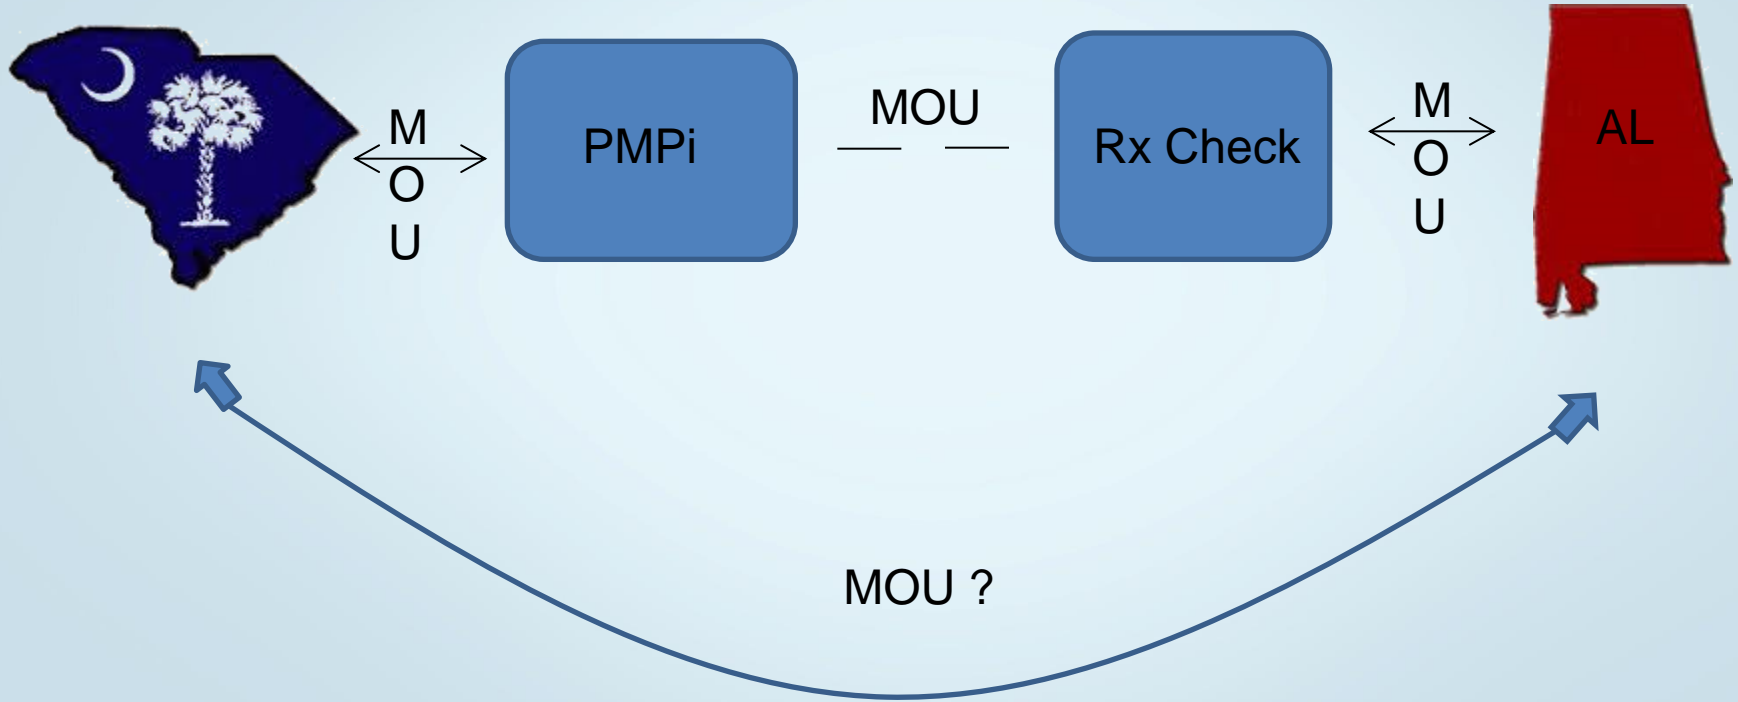

Challenges of Interstate Data Sharing

- Memorandum of Understanding - Legal
- Different state laws for Access: Out of state users, delegates
- Cost?

Rx Sentry Hub

- Owned and operated by Health Information Designs (HID)
- HID currently has 20 PMP client states
- In final phases of being released
- Will have an MOU for each state to sign
