16 **INTERSTATE COMMISSION**

17  
18 The member states hereby create the Interstate Prescription Monitoring Program Commission.  
19 The Prescription Monitoring Program Compact shall be governed by an interstate commission  
20 comprised of the member states and not by a third-party group or federal agency. The activities  
21 of the commission are the formation of public policy and are a discretionary state function.

- 1 A. The commission shall be a body corporate and joint agency of the member states and  
2 shall have all the responsibilities, powers and duties set forth herein, and such additional  
3 powers as may be conferred upon it by a subsequent concurrent action of the respective  
4 legislatures of the member states in accordance with the terms of this compact.  
5
- 6 B. The commission shall consist of one voting representative from each member state who  
7 shall be that state's appointed compact commissioner and who is empowered to  
8 determine statewide policy related to matters governed by this compact. The compact  
9 commissioner shall be a policymaker within the agency that houses the state's  
10 prescription monitoring program.  
11
- 12 C. In addition to the state commissioner, the state shall appoint a non-voting advisor who  
13 shall be a representative of the state prescription monitoring program.  
14
- 15 D. In addition to the voting representatives and non-voting advisor of each member state, the  
16 commission may include persons who are not voting representatives, but who are  
17 members of interested organizations as determined by the commission.  
18
- 19 E. Each member state represented at a meeting of the commission is entitled to one vote. A  
20 majority of the member states shall constitute a quorum for the transaction of business,  
21 unless a larger quorum is required by the bylaws of the commission. A representative  
22 shall not delegate a vote to another member state. In the event the compact commissioner  
23 is unable to attend a meeting of the commission, the appropriate appointing authority may

1 delegate voting authority to another person from their state for a specified meeting. The  
2 by-laws may provide for meetings of the commission to be conducted by electronic  
3 communication.

4  
5 F. The commission shall meet at least once each calendar year. The chairperson may call  
6 additional meetings and, upon the request of a simple majority of the compacting states,  
7 shall call additional meetings.

8  
9 G. The commission shall establish an executive committee, which shall include officers,  
10 members, and others as determined by the bylaws. The executive committee shall have  
11 the power to act on behalf of the commission, with the exception of rulemaking. During  
12 periods when the commission is not in session the executive committee shall oversee the  
13 administration of the compact, including enforcement and compliance with the provisions  
14 of the compact, its bylaws and rules, and other such duties as deemed necessary.

15  
16 H. The commission shall maintain a robust committee structure for governance (i.e., policy,  
17 compliance, education, technology, etc.) and shall include specific opportunities for  
18 stakeholder input.

19  
20 I. The commission's bylaws and rules shall establish conditions and procedures under  
21 which the commission shall make its information and official records available to the  
22 public for inspection or copying. The commission may exempt from disclosure

1 information or official records that would adversely affect personal privacy rights or  
2 proprietary interests.

3 J. The commission shall provide public notice of all meetings and all meetings shall be  
4 open to the public, except as set forth in the rules or as otherwise provided in the  
5 compact. The commission may close a meeting, or portion thereof, where it determines  
6 by a two-thirds vote of the members present that an open meeting would be likely to:

- 7 1. Relate solely to the commission's internal personnel practices and procedures;
- 8 2. Discuss matters specifically exempted from disclosure by federal and state  
9 statute;
- 10 3. Discuss trade secrets or commercial or financial information which is privileged  
11 or confidential;
- 12 4. Involve accusing a person of a crime, or formally censuring a person;
- 13 5. Discuss information of a personal nature where disclosure would constitute a  
14 clearly unwarranted invasion of personal privacy;
- 15 6. Discuss investigative records compiled for law enforcement purposes; or
- 16 7. Specifically relate to the commission's participation in a civil action or other legal  
17 proceeding.

18  
19 K. For a meeting, or portion of a meeting, closed pursuant to this provision, the  
20 commission's legal counsel or designee shall certify that the meeting may be closed and  
21 shall reference each relevant exemptive provision. The commission shall keep minutes  
22 which shall fully and clearly describe all matters discussed in a meeting and shall provide  
23 a full and accurate summary of actions taken, and the reasons therefore, including a

1 description of the views expressed and the record of a roll call vote. All documents  
2 considered in connection with an action shall be identified in such minutes. All minutes  
3 and documents of a closed meeting shall remain under seal, subject to release by a  
4 majority vote of the commission.

5  
6 **ARTICLE VII**

17 provided in this compact.
- 18

The chairperson or, in the chairperson’s absence or disability, the vice-chairperson, shall preside at all meetings of the interstate commission. The officers so elected shall serve without compensation or remuneration from the interstate commission; provided that, subject to the availability of budgeted funds, the officers shall be reimbursed for ordinary and necessary costs and expenses incurred by them in the performance of their responsibilities as officers of the interstate commission.

7  
8 D. The interstate commission's executive director and its employees shall be immune from  
9 suit and liability, either personally or in their official capacity, for a claim for damage to  
10 or loss of property or personal injury or other civil liability caused or arising out of or

**ARTICLE IX**

**RULEMAKING FUNCTIONS OF THE INTERSTATE COMMISSION**

- A. Rulemaking Authority - The interstate commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of this compact. Notwithstanding the foregoing, in the event the interstate commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this compact, or the powers granted hereunder, then such an action by the interstate commission shall be invalid and have no force or effect. Any rules promulgated by the commission shall not override the state’s authority to govern prescription drugs or each state’s prescription monitoring program.
  
- B. Rulemaking Procedure - Rules shall be made pursuant to a rulemaking process that substantially conforms to the “Model State Administrative Procedure Act,” of 1981 Act, Uniform Laws Annotated, Vol. 15, p.1 (2000) as amended, as may be appropriate to the operations of the interstate commission.
  
- C. Not later than thirty (30) days after a rule is promulgated, any person may file a petition for judicial review of the rule; provided, that the filing of such a petition shall not stay or

1 otherwise prevent the rule from becoming effective unless the court finds that the  
2 petitioner has a substantial likelihood of success. The court shall give deference to the  
3 actions of the interstate commission consistent with applicable law and shall not find the  
4 rule to be unlawful if the rule represents a reasonable exercise of the interstate  
5 commission's authority.

## 7 **ARTICLE X**

### 8 **OVERSIGHT, ENFORCEMENT, AND DISPUTE RESOLUTION**

#### 9 10 A. Oversight

- 11 1. The executive, legislative and judicial branches of state government in each  
12 member state shall enforce this compact and shall take all actions necessary and  
13 appropriate to effectuate the compact's purposes and intent. The provisions of  
14 this compact and the rules promulgated hereunder shall have standing as statutory  
15 law but, shall not override the state's authority to govern prescription drugs or the  
16 state's prescription monitoring program.
- 17 2. All courts shall take judicial notice of the compact and the rules in any judicial or  
18 administrative proceeding in a member state pertaining to the subject matter of  
19 this compact which may affect the powers, responsibilities or actions of the  
20 interstate commission.
- 21 3. The interstate commission shall be entitled to receive all service of process in any  
22 such proceeding, and shall have standing to intervene in the proceeding for all  
23 purposes. Failure to provide service of process to the interstate commission shall

1           render a judgment or order void as to the interstate commission, this compact or  
2           promulgated rules.

3  
4       B. Default, Technical Assistance, Suspension and Termination - If the interstate commission  
5       determines that a member state has defaulted in the performance of its obligations or  
6       responsibilities under this compact, or the bylaws or promulgated rules, the interstate  
7       commission shall:

8           1. Provide written notice to the defaulting state and other member states, of the  
9           nature of the default, the means of curing the default and any action taken by the  
10          interstate commission. The interstate commission shall specify the conditions by  
11          which the defaulting state must cure its default.

12          2. Provide remedial training and specific technical assistance regarding the default.

13          3. If the defaulting state fails to cure the default, the defaulting state shall be  
14          terminated from the compact upon an affirmative vote of a majority of the  
15          member states and all rights, privileges and benefits conferred by this compact  
16          shall be terminated from the effective date of termination. A cure of the default  
17          does not relieve the offending state of obligations or liabilities incurred during the  
18          period of the default.

19          4. Suspension or termination of membership in the compact shall be imposed only  
20          after all other means of securing compliance have been exhausted. Notice of  
21          intent to suspend or terminate shall be given by the interstate commission to the  
22          governor, the majority and minority leaders of the defaulting state's legislature,  
23          and each of the member states.

- 1           5. The state which has been suspended or terminated is responsible for all dues,  
2           obligations and liabilities incurred through the effective date of suspension or  
3           termination including obligations, the performance of which extends beyond the  
4           effective date of suspension or termination.
- 5           6. The interstate commission shall not bear any costs relating to any state that has  
6           been found to be in default or which has been suspended or terminated from the  
7           compact, unless otherwise mutually agreed upon in writing between the interstate  
8           commission and the defaulting state.
- 9           7. The defaulting state may appeal the action of the interstate commission by  
10          petitioning the U.S. District Court for the District of Columbia or the federal  
11          district where the interstate commission has its principal offices. The prevailing  
12          party shall be awarded all costs of such litigation including reasonable attorney's  
13          fees.

#### 15          C. Dispute Resolution

- 16          1. The interstate commission shall attempt, upon the request of a member state, to  
17          resolve disputes which are subject to the compact and which may arise among  
18          member states.
- 19          2. The interstate commission shall promulgate a rule providing for both mediation  
20          and binding dispute resolution as appropriate.

#### 22          D. Enforcement

1 member states of the withdrawing state's intent to withdraw within sixty (60) days  
2 of its receipt thereof.

3 4. The withdrawing state is responsible for all dues, obligations and liabilities  
4 incurred through the effective date of withdrawal, including obligations, the  
5 performance of which extend beyond the effective date of withdrawal.

6 5. Reinstatement following withdrawal of a member state shall occur upon the  
7 withdrawing state reenacting the compact or upon such later date as determined  
8 by the interstate commission.

9  
10 B. Dissolution of the Compact

11 1. This compact shall dissolve effective upon the date of the withdrawal or default of  
12 the member state which reduces the membership in the compact to one (1)  
13 member state.

14 2. Upon the dissolution of this compact, the compact becomes null and void and  
15 shall be of no further force or effect, and the business and affairs of the interstate  
16 commission shall be concluded and surplus funds shall be distributed in  
17 accordance with the bylaws.

1 **ARTICLE XIII**

2 **SEVERABILITY AND CONSTRUCTION**

3  
4 A. The provisions of this compact shall be severable, and if any phrase, clause, sentence or  
5 provision is deemed unenforceable, the remaining provisions of the compact shall be  
6 enforceable.

7
