☑ Reporting Mandate Compliance

Reporting Compliance Details: We work with veterinarians, their professional associations and licensing
                                             to ensure compliance.

Reporting Mandate Actions:
Reporting Issues: Veterinarian does not have a DEA or NPI number, Veterinarian does not
                                             have animal owner's information, Veterinarian's software does not allow
                                             electronic submission of data, Veterinarian's software s not able to report
                                             data in ASAP format

Reporting Misc Information: Clear directions for veterinarians reporting requirements are needed. We
                                             have found that this population has needed additional instructions on
                                             conversion of NADA and NDC numbers to an 11-digit format.
