PDMP Participation

PDMP Participation Process

- To participate, jurisdictions must:
 - Enact legislation authorizing participation in the St. Louis County PDMP
 - Sign the User Agreement with St. Louis County
- Upon enacting legislation & signing the User Agreement, St. Louis County will onboard the jurisdiction in the next possible implementation cycle.
 - Process typically takes ~3 months from enacting legislation to going live with the PDMP.

PDMP Registration

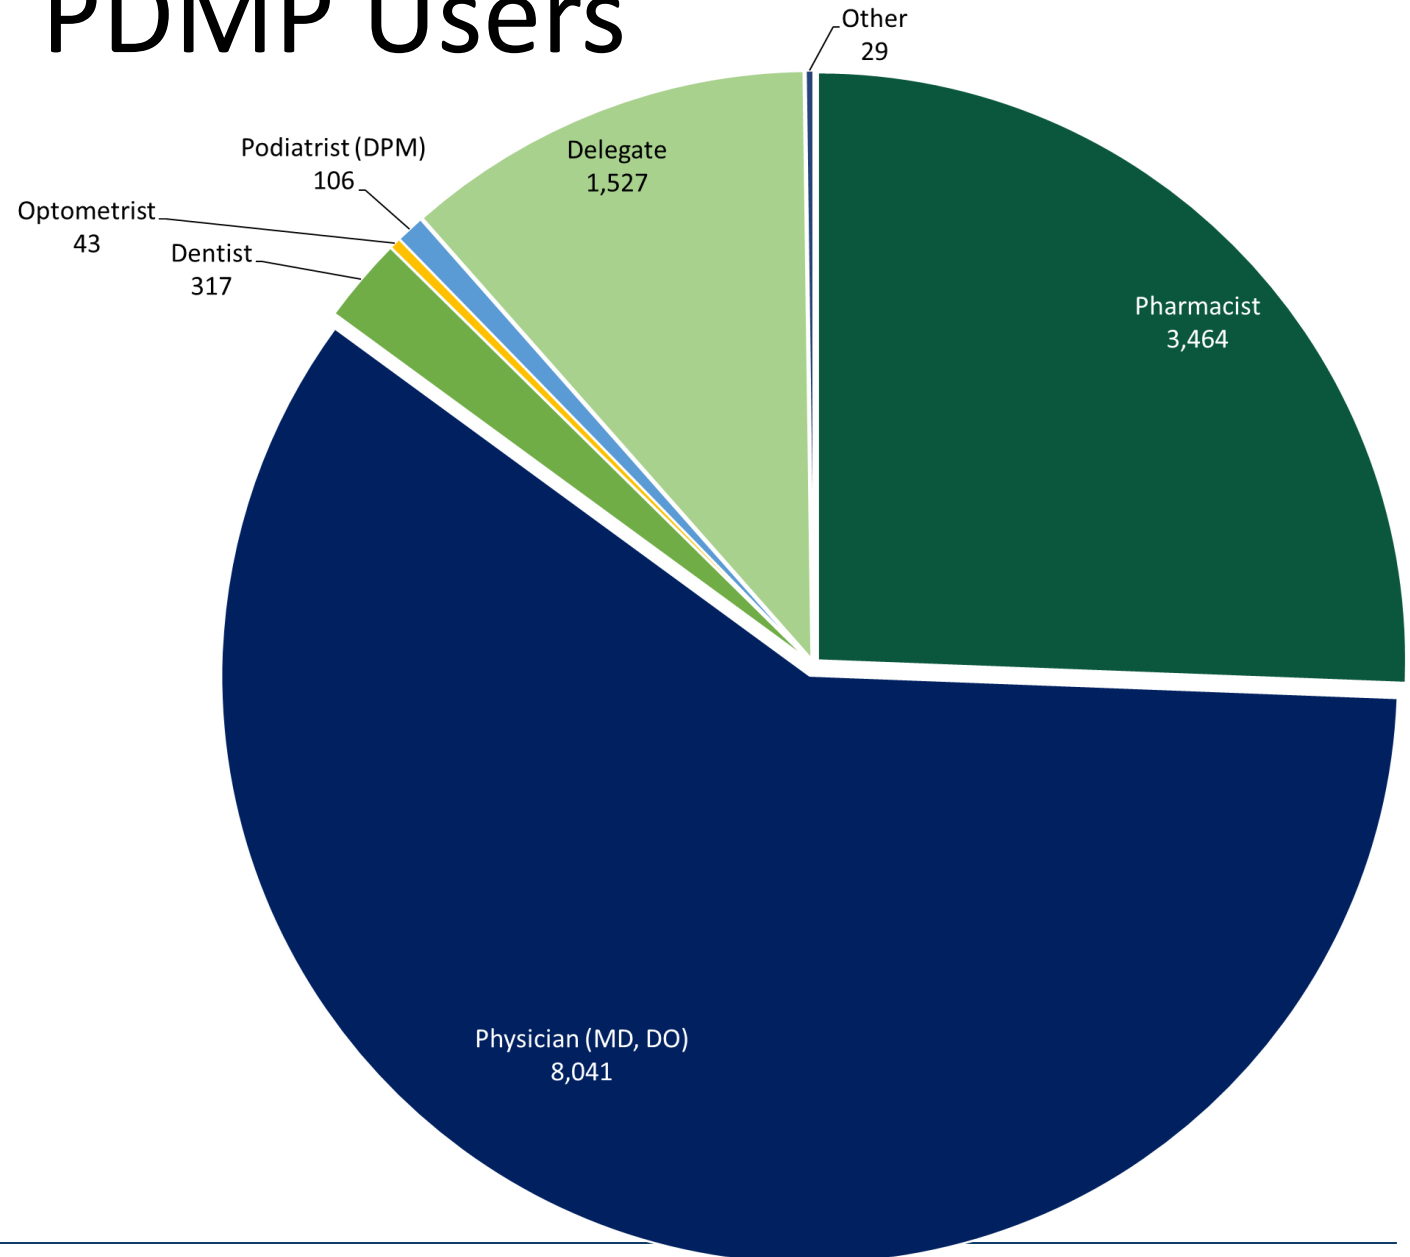

- 3 types of Authorized Users
 1. Direct, full access for medical and pharmaceutical care
Providers, Dispensers, Delegates
 2. Ability to request data, no direct access
Patients, self-requests
 3. Restricted or limited access
State Boards, Law Enforcement, MO HealthNet, Judicial Officer

PDMP Approved Users and Utilization by Month

PDMP Users

- >63% prescribers
 - 59% MD/DO
- 26% pharmacists
- 11% delegates
- <1% other

Mass Registration

- **Goal:** increase # of registered providers
- Health system, hospital, medical group, or healthcare practice to bulk register their healthcare providers in the PDMP
 - No minimum or maximum # of providers
 - Offered twice per year – takes ~2 months to complete
 - Total cost of \$2,250/instance – cost to be split proportionally among health systems
- Individual registration will always be available

Process

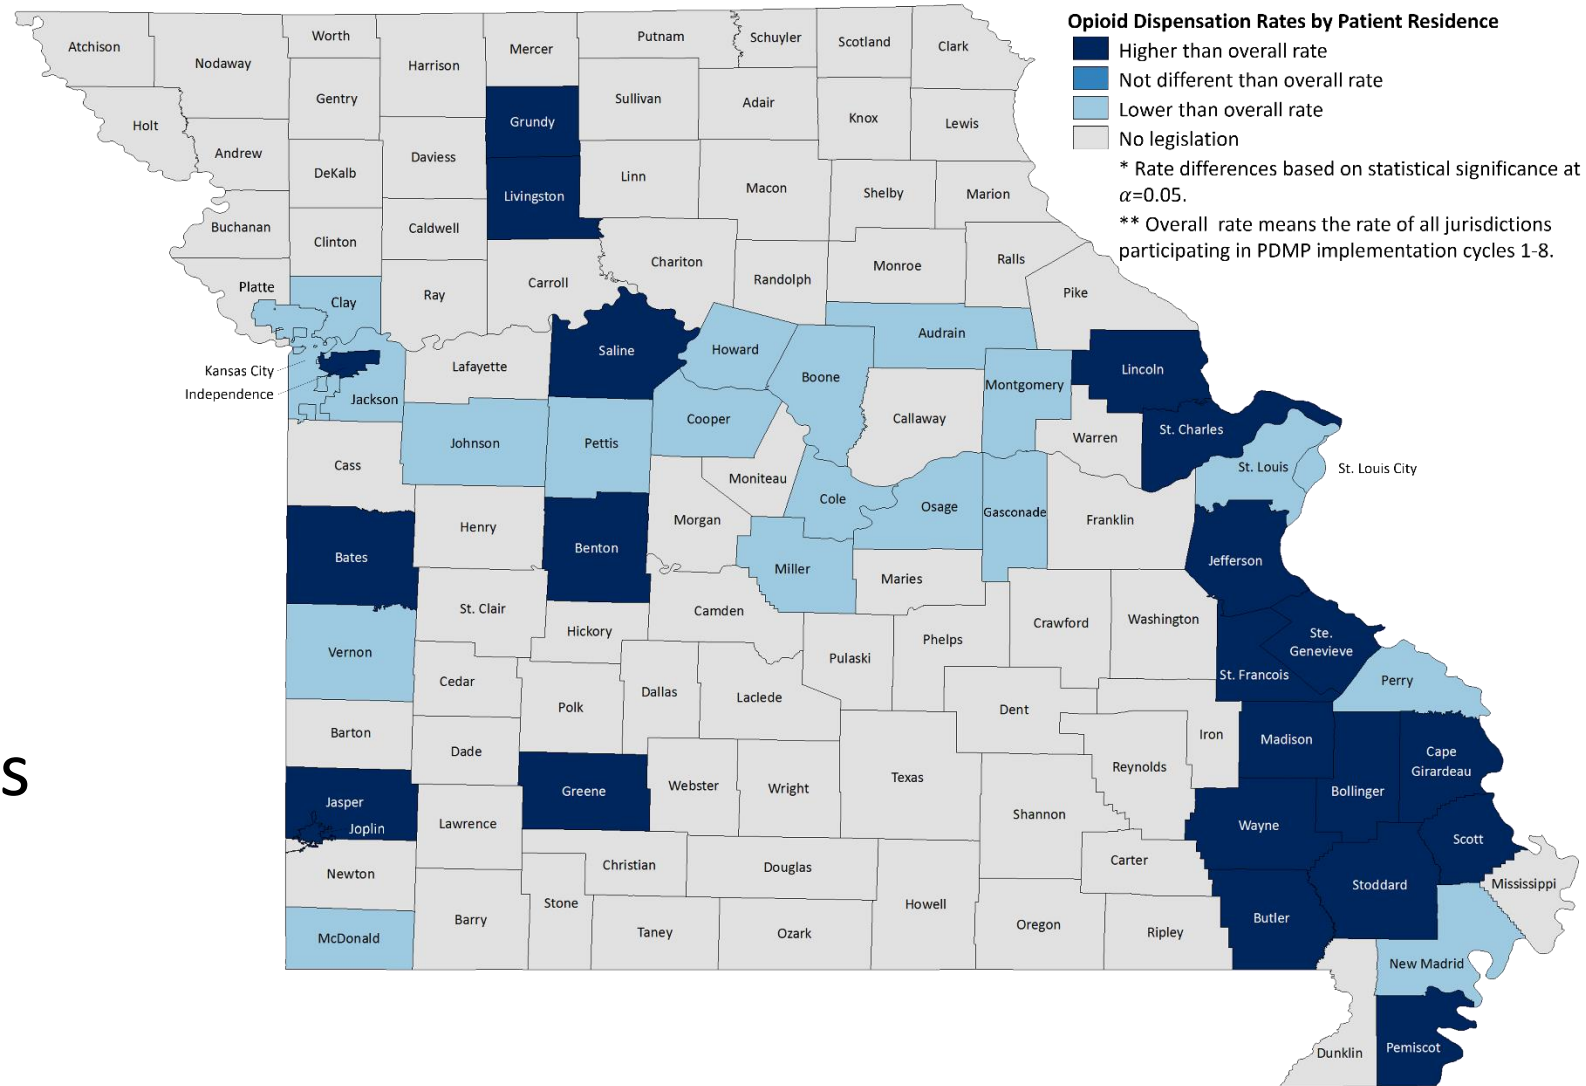

- Health systems provide information on providers in registration template and sign the change order/contract
- DPH reviews information
- Appriss creates all user accounts
- DPH reviews & approves accounts like individual registration
- Health system pays for their cost

Timeline
