Conference Call Agenda/Minutes

- **Roll Call**
Quorum established

- **Approval of Minutes from 3-16-2020**
Motion to approve the minutes made by Don Vogt (Appriss); seconded by Jean Hall (KY). Unanimously approved.

- **ONC Report on Reducing Regulatory and Administrative Burden Relating to the Use of Health IT and EHRs**
Kevin Borchert (NE) discussed the report which details the 21st Century CURES Act. Carmen Smiley (ONC) indicated that Dr. Andrew Gettinger (ONC Chief Clinical Officer), who is the primary author of document will provide details to this group next month. TTAC indicated that they will have a PDMP Administrator Town Hall webinar on this topic.

- **Update from Patient Matching Working Group**
Kevin Borchert (NE) stated that the group has been discussing the various data elements for patient matching and areas to improve. Specifically, in-depth discussion on the PAT segments from ASAP 4.2B. Also, discussed metrics and data quality.

- **Update from PMIX Schema Working Groups**
Jean Hall (KY) stated that the groups have been working on patient alerts piece and drafting the updated schemas for additional data elements; as well as updating it for the latest versions of NIEM. She added that after the schemas are completed and approved by the Technical Subcommittee, they will be provided to the Operations Subcommittee for review and the Executive Committee for approval. If approved by the Executive Committee, they will be posted on the PMIX website for 30 days to allow comments to be made by PDMP Administrators. Comments are responded in writing by the Executive Committee and a final decision to adopt or edit is made.

- **PMIX Website and Logo**
Kevin Borchert (NE) mentioned that the workgroup had a call on April 14th to suggest new wording and design of the existing webpages. The workgroup is also finalizing choices for a new PMIX logo. TTAC stated that a demonstration of the revised pages should be available prior to the May or June calls.

➤ Other Business

Kevin Borchert (NE) mentioned that the 2020 PMIX goals should be available to be presented to the subcommittees in May or June.

➤ Next Meeting – Monday, May 18th at 1p ET
