## Conference Call Agenda/Minutes

- Roll Call
  - Quorum established.
  
- Approval of Minutes from 5-18-2020
  - Motion to approve the minutes made by Jean Hall (KY); seconded by Rebecca Poston (FL). Unanimously approved.
  
- Update from Patient Matching Working Group
  - Kevin Borchert (NE) mentioned that the monthly meetings are continuing and the group is currently reviewing patient matching algorithms, the ONC 2015 challenge on patient matching, ASAP data elements, and metrics to measure. Jean Hall (KY) added that ONC developed a test prescription record file for the ONC challenge participants to use and that Chris Delcher (University of Kentucky) is looking at challenge data to measure the effectiveness of KY's patient matching algorithms. Don Vogt (Appriss) asked if the ONC test data accounted for inconsistencies within patient names and addresses as part of their evaluation. This will be confirmed with Carmen Smiley (ONC).
  
- Update from PMIX Schema Working Groups
  - Jean Hall (KY) stated that this workgroup obtained a 'final' update from Tom Carlson (Carlson Consulting) on the schemas, data elements, and alert messages and it will be provided to the Executive Committee for review prior to posting for the larger PDMP community feedback.
  
- PMIX Website and Logo
  - Kevin Borchert (NE) mentioned that this workgroup is developing the web pages and have approved a new logo (see page 1). He added that the changes will be implemented this month and encouraged members to visit the website and offer feedback.
  
- Other Business
  - No new business mentioned.
