Conference Call Agenda/Minutes

- Roll Call

Quorum established

- Approval of Meeting's Minutes from 9-21-2022

Motion to approve the minutes was made by Ron Larsen (IJS); seconded by Maia Gottlieb (Maryland). Approved with Haley Winans (MI) and Chelsea Townsend (SC) abstaining.

- GOAL: Review interoperability diagram

Jean Hall (KY) reviewed the latest version of the interoperability diagram as a refresher for the group. This diagram is being created for a more technical audience; a layman's version will be developed.

Diagram edits discussed:

- slide 3 – edit the last sentence of hub definition; change 'NEHII' to 'CyncHealth'
- slide 4 – edit spelling of 'Cynchealth'
- slide 5 – remove PastRx; edit definition of PDMP system to include 'shares data with integration facilitators....' and add more of the PDMP functions; add Bamboo Gateway
- slide 14 add state and organization authorities under 'Authorization'; add user role to 'Validation'; rearrange items to mirror flow of information
- slide

TTAC will send diagram to members to provide edits and comments before the next meeting.

- GOAL: PMIX guide for everyone- discuss the need for a more explanatory guide

Jean Hall (KY) mentioned that the initial guide would be to explain in layman's terms what is PMIX, how it is used, requirements, etc. She asked subcommittee members to be prepared to discuss at the next meeting.

- Other Business

- Date Sold field

Jean Hall (KY) mentioned that the date sold field is not included in the PMIX response schema. The subcommittee agreed that it is needed and should be added. At next meeting, the subcommittee will work out the process to add this field; add it to the XML.

- Future meeting schedule

- Next Meeting – Wednesday, May 17th at 3-4p ET

- Conflicts with TTAC Regional Meeting – cancel or reschedule?
