- Required enrollment - Prescriber Required enrollment - Dispenser Compliance Process for Enrollment Mandates

NRS 453.226 Every practitioner or other person who dispenses any controlled substance within this State or who proposes to engage in the dispensing of any controlled substance within this State shall obtain biennially a registration issued by the Board in accordance with its regulations. A person must present proof that he or she is authorized to access the database of the program established pursuant to NRS 453.162 before the Board may issue or renew a registration.

Enrollment Effective Date(s): January 1, 2016

- Required use - Prescriber Required use - Dispenser Compliance Process for Use Mandates

NRS 639.23507 1. A practitioner, other than a veterinarian, shall, before issuing an initial prescription for a controlled substance listed in schedule II, III or IV and at least once every 90 days thereafter for the duration of the course of treatment using the controlled substance, obtain a patient utilization report regarding the patient from the computerized program established by the Board and the Investigation Division of the Department of Public Safety pursuant to NRS 453.162. The practitioner shall: (a) Review the patient utilization report to assess whether the prescription for the controlled substance is medically necessary; and (b) Determine whether the patient has been issued another prescription for the same controlled substance that provides for ongoing treatment using the controlled substance. If the practitioner determines from the patient utilization report or from any other source that the patient has been issued such a prescription, the practitioner shall not prescribe the controlled substance.
